NFA APPEALS COMMITTEE DECISION--PARKS, ZINNER AND BRIDGES

On March 14, 2000, NFA's Appeals Committee issued a Decision affirming in all respects the NFA Hearing Panel's findings that Parks and Bridges violated NFA Compliance Rules, and affirming in part and modifying in part the NFA Hearing Panel's penalties imposed on Parks, Zinner and Bridges.

Specifically, the Appeals Committee affirmed the \$10,000 fine the Hearing Panel had imposed on Parks, but modified the sanctions to permanently bar him from NFA membership and Associate and principal status with any NFA Member.

Furthermore, the Appeals Committee affirmed the \$15,000 fine the Hearing Panel had imposed on Zinner, but modified the sanctions to permanently bar him from NFA membership and Associate and principal status with any NFA Member.

Moreover, the Appeals Committee affirmed the \$5,000 fine the Hearing Panel had imposed on Bridges, but modified the sanctions to bar him for two years from NFA membership and Associate and principal status with any NFA Member. Further, the Appeals Committee imposed the following restrictions and conditions on Bridges' activities for three years after his two-year bar expires: (i) he may not function as a principal, partner, officer, director, or branch manager of any NFA Member; (ii) he may not become or remain associated with any NFA Member (sponsor) unless the sponsor agrees in writing to establish and implement written supervisory policies and procedures to ensure that his activities are in compliance with the restrictions imposed by this Decision, and certifies that it understands that any violation of its obligation under this Decision may be grounds for disciplinary action against the sponsor; (iii) he may not directly or indirectly exercise supervisory authority over any person required to be registered as an AP; and (iv) his sponsor must tape record all conversations that occur between him and both existing and potential customers (and Bridges must have no control over the taping process), retain each tape for two years, and maintain a daily written log that reflects, at a minimum, the first and last name of each existing and potential customer that he spoke with on that day.

This Decision becomes effective April 13, 2000.
